CITY OF YORBA LINDA PLOT PLAN FOR WALLS AND FENCES

Footings for all walls, pilasters, etc. shall be placed on permittee's own property and shall not encroach onto an adjacent parcel unless documentation is provided to authorize such construction.

Where a wall will be constructed on a property line, permits shall be issued for each parcel based on fifty percent of the total length of the wall on each permit.

It shall be the permittee's and owner's responsibility to comply with all applicable city codes and ordinances.
