**PUBLIC COMMENTS - ITEMS ON THE CONSENT CALENDAR OR ITEMS NOT ON THE REMAINDER OF THE AGENDA**

Public Comments is the time reserved on each regular meeting Agenda to provide an opportunity for members of the public to directly address the City Council/Redevelopment Agency on Consent Calendar items or matters of interest to the public concerning the City's/Agency's business or any matter over which the City Council/Redevelopment Agency has jurisdiction that are not already scheduled for

consideration on this Agenda. Although the City Council/Redevelopment Agency values your comments, pursuant to the Brown Act, the Council/Redevelopment Agency cannot take any action on items not listed on the posted Agenda, but may refer the matter to staff or a subsequent meeting.

All remarks shall be addressed to the City Council/Redevelopment Agency as a body through the presiding officer and not directly to any member thereof. The City Council/Redevelopment Agency desires its meetings to be conducted in a professional manner respectful of all participants. Therefore, the Mayor/Chairman may ask that speakers refrain from engaging in personal attacks, name-calling, or campaigning on any election issue during their allotted time. However, public criticism of the policies, procedures, programs or services of the City, or of the acts or omissions of the City Council/Redevelopment Agency as a body shall not be prohibited.

Under the Brown Act, members of the Council/Agency may briefly respond to Public Comments, but no extended discussion and no action on such matters may take place.

There is a five (5) minute maximum time limit for each individual addressing the City Council/Redevelopment Agency during Public Comments and on all other items listed on the Agenda. The City Council/Redevelopment Agency will entertain Public Comments up until the time that Public Hearings are scheduled to begin. Any speaker wishing to speak on a matter not posted on this Agenda who was unable to speak during this initial designated Public Comments period will be given an opportunity to speak following the Council's/Agency's completion of the Public Hearing. The Mayor/Chairman may use his or her discretion to select the order of speakers in a manner that ensures that a variety of issues and concerns can be presented during the initial time and he or she may allow for additional comments to be made past the time for the Public Hearings to begin. As a result, in situations where there are multiple speakers wishing to speak on a single topic not on the Agenda, the Mayor/Chairman may ask that one speaker generally describe the issue or matter and then will provide additional speakers the opportunity to speak later on this Agenda.
