On behalf of the Yorba Linda City Council, it is a pleasure to welcome you to the 2016 State of the City Address. It is truly an honor to represent the residents of Yorba Linda as Mayor. Yorba Linda is a city to be proud of. We are an active community with beautiful parks and trails, exceptional housing, fiscal prosperity, safe neighborhoods, the best schools, and provide the very best services for our community. We have a team of great leaders, a City Council and staff who are progressively and aggressively planning for the future to ensure that Yorba Linda's quality of life is not only enjoyed by today's residents, but is guaranteed for generations to come.

I am proud to be standing before you today to share the great accomplishments we've made from east to west of our city borders and to share what the future holds for this great City. Thank you for attending today's State of the City event.

Sincerely,  
Tom Lindsey, Mayor
