BULLETIN BOARD APPLICATION

Yorba Linda's Government Access Channel (Channel 3) provides a means of disseminating information to the citizens of Yorba Linda concerning the programs, services, and deliberations of local government. The City offers a bulletin board service consisting of pictures and/or text generated information to eligible system users defined in City Council Policy A-6, Use of Government Access Channel. Programming that is outside the scope of the Channel's mission and goals will not be aired. **Requests to utilize the bulletin board service must be submitted to the City Manager's Office at least two weeks (10 business days) prior to the proposed airdate.** Requests must be submitted on this application (with the digital message attached) and the message must comply with the production specifications outlined in the Bulletin Board Information Sheet.
