The Parks and Recreation Department of the City of Yorba Linda operates and manages over 147 acres of open space encompassed within 28 parks, recreation facilities and a municipal golf course that provide leisure activities for over 65,000 residents. It is the Parks and Recreation Department's mission to maximize all available resources to deliver well maintained parks, clean and well-functioning recreation facilities, and quality programs, events and community services to the residents and visitors of Yorba Linda.

Thanks for helping us to keep our parks and facilities safe, clean, and attractive!
