

Homicide Task Force

Crisis Response Team

VINEYARDANAHEIM

RE: Community Meeting and Homeless Outreach

During the months of December and January, four homicides occurred that sent shockwaves through your community. Since the tragic serial killings you may be feeling a bit unsafe, jumpy or even disinterested in things that normally make you happy. These are all normal reactions to an abnormal situation.

The Homeless Homicide Task Force, in partnership with CSP Crisis Response Team, Orange County Rescue Mission and Vineyard Christian Fellowship respectfully invite you to attend a community meeting and homeless outreach. The purpose of this community meeting is to learn about personal safety, police protocols, and “normal” stress reactions following a traumatic event. Crisis Counselors and members of the Homicide Task Force law enforcement agencies care about the safety and well-being of the communities they serve and will be available to you. O.C. Rescue Mission will also be accepting donated items to be distributed to the homeless. Items desired include: Socks, blankets, sleeping bags, beanies and travel size toiletries.

Please note that we are “kid friendly” and can keep children in a space separate from the adults so that they also have the opportunity to talk about how this has impacted them.

DATE of MEETING: Saturday, February 4, 2012

LOCATION: Vineyard Christian Fellowship
5340 E. La Palma Ave
Anaheim Ca 92807

TIME: 12-2pm

For additional information call the Homicide Task Force: 714.765.1944; or email your inquiries to: htf@anaheim.net
